

STUDENTS' UNION 17-18

Diwali

2017

Light a Life

Diwali is an occasion where we light
the lamp of love.

So this year join us in our initiative to
Light a Life

Diyas with strips of requirements
written on it will be kept in the OAT.

Pick up a diya and purchase the
mentioned requirements which in
turn will be given to the needy
thereby making this

Diwali a truly colourful experience!

The season of delicious sweets, the season of colourful crackers, the season of love and sharing. Yes, the season of Diwali is here. For the first time, Stella Maris College had Diwali celebrations on 12 October, 2017. The occasion called for a performance by the Folk dance club. Students were invited to come forward to dance to Diwali themed music. As part the celebrations, a diya painting competition was held. The students were given a feel of a 'Diwali Thiruvizha' with many food stalls, a mini Ferris wheel and a few other games.

The highlight this year was the 'Light a Life' initiative. Diyas were placed in the Open Air Theatre that contained strips of provisions written on it. Students and Faculty members were encouraged to pick up a diya and purchase the provisions listed in the strips placed in the diya. These collected provisions will help light the lives of the needy and the poor, making this Diwali a truly fruitful experience!
