

NON TEACHING STAFF DAY

To express our gratitude to all administration and support staff of our college, the Students' Union in collaboration with various clubs of the college put up a cultural programme for the non-teaching staff on 7 February 2018.

They were treated to a luncheon, where lovely presents were distributed to each person. Various performances were organized by the Students' Union to entertain the crowd. Kiruthika, 2nd year History recited a short poem, a few games were played and the Folk Dance Club performed to various energetic numbers.

The latest Tamil movie 'Velaikkaaran' was also screened for them.

It was indeed a great day to thank them for their outstanding contribution to our college!
